TransformerCase T32 Pro - USB-A

Charge & Sync! For up to 32 devices - Max. 11"

Article number / SKU: TC32USBASE1

**Robust and sustainable
solutions for your
educational environment**

4 smooth-running wheels, 2 of which have parking brakes.

Integrated moving handle, plus 2 side handles for moving over steps. Integrated cooling ventilation system.

Intelligent charging hub with automatic charging cut-off (no timer necessary)

-> works as overheating and overcharging protection

What does „Charge & Sync“ mean?

Connect the master USB Sync-Port on our product to a MacOS-based operating system and open the Apple Configurator on this computer.

All Apple iPads connected to our product are now displayed there. Now you can manage & configure the displayed iPads simultaneously.

680mm
