Article number / SKU: TC32PDCE1

**Robust and sustainable
solutions for your
educational environment**

4 smooth-running wheels, 2 of which have parking brakes.

Integrated moving handle, plus 2 side handles for moving over steps. Integrated cooling ventilation system.

Intelligent charging hub with automatic charging cut-off (no timer necessary)

-> works as overheating and overcharging protection

What does „Performance“ mean?

The Formcase Performance Series features more powerful hubs that make it possible to charge Apple iPads and Microsoft Surface devices via „fast charging“. The built-in USB-C Power delivery hub delivers up to 20W per port and is therefore more powerful than the standard variants.
